Buildings Maintenance and Subcontracting WLL
Doha, Qatar

To Whom It May Concern:

This is to certify that BMS Qatar, have worked with us as an Electro-Mechanical subcontractor for Al Khor Labor accommodation under QDVC's supervision.

During their work with us, they proved they have a good team of engineers, supervisors and technical manpower of all grades that performed the work professionally and with devotion which led to the completion of the specified project's tasks within the scheduled time and to our client satisfaction.

We wish them every success in their future business and would like to have such relation with them again on our future up-coming projects. We would strongly recommend them for any contractor/client who is looking for a successful MEP sub-contractors.

For Specialized Professional Contractors

LETTER OF RECOMMENDATION

To whom it may concern:

Buildings Maintenance and Subcontracting Company (BMS) was the MEP Contractor who executed and handed over all electrical and mechanical systems through the construction of our private residence in Al Markhiyah.

Their scope of works included the supply, installation, commissioning and handing over of the following systems: Electrical Power & Lighting, Standby Generator, Telephone, Data, WiFi, SMATV, CCTV, Public Address, Video Intercom, Fire Alarm, Lightning Protection, Plumbing & Drainage, Firefighting and HVAC.

In the course of construction, BMS Qatar had shown distinguished skills in managing and delivering the contractual MEP Works, relying on a coherent and professional team of Engineers, Supervisors and Skilled Technicians.

Taking into consideration the successful and satisfactory completion of our residence, we recommend BMS Qatar to other clients.

Yours faithfully,

Ibrahim Al-Mohannadi
