TO WHOM IT MAY CONCERN,

Please note that BMS (Buildings Maintenance & Subcontracting) was the Electro-Mechanical contractor in our residential project “**Sioufi 5250**” which consists of 4 basements and 13 upper floors with a total construction area of approximately 14,000m2.

Their working teams were professional and the work was very satisfactory.

They played the role of coordination very well especially with the different architects of all the 30 apartments.

Kindly note that we are ready for any additional information you might need.

Please accept our best regards.
